EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 12, line 3, "an" has been changed to -- a --.

In claim 18, line 2, "as" has been changed to -- a --.

In claim 28, lines 2 and 3, "insulating" has been changed to -- interlacing --.

2. The above changes have been made in order to correct typographical errors in the claims.

3. The following is an examiner's statement of reasons for allowance: The claims are allowable since the prior art does not disclose a textile interlacing jet having the claimed structure, including an interlacing jet insert mounted on a jet carriage, the jet carriage being slidably mounted on the body, and a compression spring mounted on the body above the compressed air inlet to exert a force against the jet to retain the carriage on the body as it slides.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably

accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Amy B. Vanatta whose telephone number is 571-272-4995. The examiner can normally be reached on Monday through Thursday.
